# MUM GENETICS

**Think about adding something to your assortment.**

Griffin offers the best mum genetics from top breeders like Syngenta Flowers, Dümmer Orange, and Gediflora. Choose from one of our families below if you want varieties with similar growth habits, vigor, and flower response time. Families are also great options for combination planters. This will allow for a simplified approach to planning and production and guarantee a stunning crop ready for Fall sales. No matter your choice, we have the complete package you want.

### Syngenta - Gigi Family

Petite flowers on compact plants, perfect for combos or solo in smaller pots. Colors include Coral, Dark Pink, Gold, Orange, Snow, and Yellow. Early to mid season.

### Dümmen Orange - Homerun Family

Large flowers, medium vigor, great for larger pots. Colors include Orange, Pink, Scarlet, White, and Yellow Improved. Early season.

### Gediflora - Arluno Family

Large flowers, nice in baskets and larger pots. Colors include Red, Vanilla, Yellow, Dark Pink, Orange, Pink, and Purple. Mid to late season.
