## About Griffin

Griffin is a partner to horticulture professionals. Family owned and operated since 1947, we apply our knowledge, experience and resources to enhance customer success from production to retail.

End-to-end solutions are our specialty. We represent the industry's leading breeders and producers, spanning seed and vegetative, bedding and potted crops, ornamentals and edibles. Our grower supplies offer includes reliable inputs and equipment to help your crops thrive through all production stages. Finally, our quality retail products drive add-on sales for you, while enhancing consumer success and enjoyment.

To learn more about our company, we invite you to visit us online at [www.griffins.com](http://www.griffins.com), follow us on LinkedIn, Instagram and Facebook.

## Griffin is Committed to Exceptional Customer Service

Our goal is simple: to meet your needs and exceed your expectations. From the time you place your order until it's delivered to your location, our team works to treat you with the utmost care every step of the way.

We strive to deliver every order on time and in full.

Your opinion matters to us! Customer feedback is key to helping our team deliver on our service pledge. Please don't hesitate to contact me directly – by phone or e-mail – with any questions or input that may help us serve you better.

## PRODUCTION SUPPLIES

Griffin's roots are in production supplies, and they remain the backbone of our company today. We're proud to offer reliable inputs and equipment to help your crops thrive through all growing stages. Look to us for containers, growing media, chemistry and more from the manufacturers you know and trust. With the increasing demand for more economical and environmentally friendly methods of growing crops, we now specialize in Controlled Environment Agriculture from hydroponics to hemp. Our 16 branch locations service customers nationwide with convenience and efficiency. Shop all of our grower products and place your order with your Griffin sales representative or on [www.griffins.com](http://www.griffins.com).

## RETAIL SOLUTIONS

Griffin is the independent retailer's best source for lawn & garden products. We make it easy for IGCs to do business, with complete vendor offerings, low order minimums and efficient shipping solutions. Raise your retail game with help from our experts! Count on us for seasonal promotion ideas, merchandising best practices and space-planning tips to maximize your display areas and drive sales. Shop all of our retail products and place your order with your Griffin sales representative or on [www.griffins.com](http://www.griffins.com).

## GREEN GOODS

Griffin is a full-service broker of live goods to professional growers. Our assortment includes seed and vegetative material, bedding and potted crops, ornamentals and edibles from the industry's most respected breeders and producers. We're uniquely committed to the seed business, stocking more than 3,300 variety/product-form combinations in our state-of-the-art seed operations facility. Count on us for annuals, perennials, grasses, herbs and vegetables. We're serious about seed quality: Inventory monitoring and regular performance testing ensure every variety meets its full potential, from the greenhouse to the garden center. Browse our complete portfolio and book your inputs through your Griffin sales representative or on [www.griffins.com](http://www.griffins.com).

## TECHNICAL SUPPORT

GGSPRO is our in-house technical services team. With more than a century of combined experience, GGSPRO delivers prompt, practical and accurate support to Griffin customers nationwide. The team's areas of expertise include: Crop culture, sanitation protocols, plant physiology and pathology, chemical controls, biological control agents (BCAs) and plant nutrition. GGSPRO endorses a holistic approach to plant protection, utilizing a mix of cultural practices alongside chemical and biological controls to manage pests and diseases. Visit [www.griffins.com/ggspro](http://www.griffins.com/ggspro) or contact GGSPRO at **800.888.0054**.

# CONSTRUCTION SERVICES

Our construction team assists with all aspects of greenhouse planning, construction and maintenance. Whether it's a new operation or expansion, upgrades or replacements, we can help with options to meet your needs and fit your budget. We offer a full range of equipment to help you grow efficiently and profitably. Look to us for greenhouse structures, films and coverings, lighting, climate control, irrigation, carts and more. Visit us at [www.griffins.com/construction](http://www.griffins.com/construction) to learn more about our product portfolio and see our project showcase.

# YOUNG PLANTS

Griffin delivers premium quality plugs, liners and pre-finished plants from reputable producers nationwide. Our young-plant network serves all major regions of the country with reliable fill rates. To assure freshness, truck delivery is available to most areas from many of our partners.

Our assortment of market-leading varieties is available in the most popular product forms to meet your needs and preferences. Of course, our young-plant products are backed by the same unbeatable service and support you've come to expect from Griffin.

# PERENNIALS

Quality inputs yield the best finished product. We partner with accomplished breeders and producers worldwide to bring you the best in perennial seed, cuttings and young plants.

We've built our perennial assortment with your success in mind. Our diverse portfolio features cutting-edge genetics to simplify scheduling and production for you, and provides enduring performance and value to modern consumers.

We're a proud sponsor of the Perennial Plant Association and other organizations that support perennial growers, breeders and producers.

## Ageratum

(*Ageratum houstonianum*)

### KONA BLUE

The most compact ageratum available, Kona Blue is perfect for use in packs and 4" pots.

**Form:** PLT

**Garden Height:** 4-6"

**Garden Spread:** 8-10"

**Containers:** Packs, 4" Pots

Kona Blue

## Asparagus Sprengeri

(*Asparagus densiflorus*)

### FUZZY FERN™ FRIZZ

This new asparagus sprengeri offers more reliable seed availability and consistently good seed quality for worry-free, on-time production.

**Form:** ASTD

**Garden Height:** 24-36"

**Garden Spread:** 24-36"

**Containers:** 4" - Gallons, Baskets

Fuzzy Fern™ Frizz

## Begonia Hybrids

(*Begonia boliviensis*)

### BOSSA NOVA™ ROSE IMPROVED 🌸

Bossa Nova begonias produce tons of flowers on strong, branching plants with controlled vigor making them a perfect choice for pots, baskets and containers. Rose has been improved for producibility and plant habit for better uniformity across the series with shorter internodes, creating more flower breaks, and better branching that allows for smaller formats and better ship ability at a younger stage.

**Form:** PLT

**Garden Height:** 12-16"

**Garden Spread:** 16-20"

**Containers:** 4-6" Pots, 1-3 Gallon Baskets

Bossa Nova™ Rose Improved

(*Begonia x hybrida*)

### BABYWING® RED BL

Ready for early season sales, Babywing flowers through the summer tolerating stress and heat. BabyWing Red Bronze Leaf adds an important color to this favorite garden begonia series, now with 2 bronze leaf and 3 green leaf varieties.

**Form:** PLT

**Garden Height:** 12-15"

**Garden Spread:** 10-12"

**Containers:** Quarts-Gallons

Baby Wing® Red BL

## BIG DEEP PINK GL

Big begonias have large flowers on upright, branching plants. With the addition of Deep Pink, the Big series now has 5 bronze leaf and 4 green leaf varieties.

---

**Form:** PLT

---

**Garden Height:** 20-30"

---

**Garden Spread:** 15-20"

---

**Containers:** Quarts - Gallons

---

Big Deep Pink GL

## DRAGON WING® F1

The popular Dragon Wing begonia now has 2 new bronze leaf additions for even more spectacular color performance in beds and containers. New Pink BL and Red BL fit the series for habit and timing.

---

**Form:** PLT

---

**Garden Height:** 12-15"

---

**Garden Spread:** 15-18"

---

**Containers:** 5-8" Pots, 1-5 Gallon, Baskets, Combos

## HULA™ RED & WHITE MIX

Hula is a day-neutral, spreading begonia that is covered in flowers all season long. A new mix of red and white blooms includes a white variety that has bigger flowers and is whiter than the current blush variety. White is not available separately. Other colors in the series are Bicolor Red White, Blush, Pink and Red.

---

**Form:** PLT

---

**Garden Height:** 6-10"

---

**Garden Spread:** 20-27"

---

**Containers:** 306/1801 Packs, 4-6" Pots, Quarts, Gallons, Baskets

---

Hula™ Red & White Mix

## MEGAWATT™ F1 RED BL

Megawatt begonias display large flowers on sturdy stems. Red Bronze Leaf has been improved for genetic purity and performance with deeper bronze foliage and a tighter, more branching habit.

---

**Form:** PLT

---

**Garden Height:** 20-28"

---

**Garden Spread:** 16-24"

---

**Containers:** 5-8" Pots, 1-5 Gallon

---

Megawatt™ F1 Red BL

## Begonia Tuberos Rooted

(*Begonia tuberhybrida*)

### LIMITLESS™

Limitless begonia is an exciting new addition to the tuberous begonia class. Mounding, spreading plants support fully double, extra large flowers that sit on top of the foliage for superior color presentation at retail. Excellent branching means that plants completely fill every container size. Blooming up to a week earlier than the competition, Limitless reduces production time. Use in containers, baskets, garden beds, patio pots and combos.

**Form:** PLT

**Garden Height:** 8-10"

**Garden Spread:** 8-10"

**Containers:** 4-6" Pots, 1.5 Gallon Baskets

## LIMITLESS™

### A Beautiful New Tuberous Begonia

Extra large, fully double flowers sit above the foliage for outstanding presentation at retail. With 5 core colors and 3 novelties, this new series supports all of your programs.

**Learn more in our Digital Edition.**

## NONSTOP JOY PEACHES & DREAMS

Nonstop Joy has a semi-trailing habit with stronger vigor than Nonstop for use in patio pots and baskets. New Peaches and Dreams features extra large blooms in shades of vanilla, lemon and pink. Flower timing matches Yellow. Nonstop Joy series now has 6 colors and a mix.

**Form:** PLT

**Garden Height:** 10-12"

**Containers:** 4-6" Pots, Baskets

Nonstop Joy Peaches & Dreams

## NONSTOP MOCCA DEEP RED IMPROVED

Nonstop Mocca is a dark leaf series. Compact, mounded plants support an abundance of double flowers. The habit of Deep Red has been improved to better match the series. It flowers very early with intense deep red blooms.

**Form:** PLT

**Garden Height:** 8-10"

**Containers:** 4-6" Pots

## Coleus

(*Solenostemon scutellarioides*)

### PREMIUM SUN CORAL CANDY **AAS**

Coral Candy's mounded, compact plants feature thin, serrated leaves with pink centers that blend to green. Color pattern can vary depending upon environmental conditions. This AAS award winner was selected for its ability to hold its color in full sun. Premium Sun Coleus can tolerate full sun in areas with high humidity. In lower humidity, performance is better in part shade.

**Form:** PLT

**Garden Height:** 10-16"

**Garden Spread:** 12-14"

**Containers:** 306/1801 Packs, 4-6" Pots, Quarts, Gallons, Combos

## Geranium

(*Pelargonium x hortotum*)

### PINTO™ F1 PREMIUM DEEP SALMON

Still the standard for seed geraniums, Pinto Premium offers the most garden vigor among seed geraniums. Uniformly early to flower with large full flower heads. Shorter flower stems sit blooms just on top of round, fully branched plants for excellent displays at retail in economy or premium pots. Deep salmon replaces salmon with a slightly deeper color that resists fading and improved garden vigor.

**Form:** CTD

**Garden Height:** 14-16"

**Garden Spread:** 12-14"

**Containers:** Premium Packs, 4-6" Pots, 1 Gallon, Baskets

Pinto™ F1 Premium Deep Salmon

## Gerbera

(*Gerbera jamesonii*)

### COLORBLOOM F1 WATERMELON WITH DARK EYE

All 10 colors in the Color Bloom series are compact and early to flower making them the perfect choice for 4" pot production. New Watermelon with Dark Eye has a slightly larger flower that others in the series. The watermelon color can vary slightly especially in high light conditions.

**Form:** CTD

**Garden Height:** 4-6"

**Garden Spread:** 6-8"

**Containers:** 4" Pots, Bowls

## Helianthus

(*Helianthus annuus*)

### SMILEY - F1 GOLD

New color in the Smiley series. Like yellow, gold flowers are pollen free. Dwarf plants are day-neutral and have excellent branching. 4-6" flower size.

**Form:** ASTD

**Pot Height:** 13 -16" long days, 5 -8" short days

**Containers:** 4-6" Pots

Smiley - F1 Gold

## Impatiens

(*Impatiens walleriana*)

### BEACON® F1

Beacon impatiens improves upon the longtime favorite Super Elfin series with high resistance to IDM. Expanding its color pallet, Lipstick, a popular reddish rose color, and a new mix join the series. Part of the Lighthouse collection of mixes, Pearl Island Mix was named for a lighthouse in Nova Scotia. This limited introduction includes Coral, White and Blue Pearl (not available as a separate color).

**Form:** CTD

**Garden Height:** 14-18"

**Garden Spread:** 12-14"

## Pansy F1 Hybrid

(*Viola wittrockiana*)

### DELTA™ PRO F1

Produced for Precision, Delta Pro brings the highest levels of programmability and uniformity to the large flowered pansy class. Planning for spring or fall is made easy with Delta Pro's extremely uniform and early flowering. 80% of Delta Pro varieties come into bloom within a 5-day window. And uniformity in plant habits and vigor mean that all varieties in the series can be grown with the same protocols making production a breeze. Compact and heavily branched plants fill packs and pots quickly. Large upright-facing flowers on short stems provide a long-lasting show of color at retail.

Once again Delta™ raises the bar for pansy quality with the introduction of new Delta™ Pro

Produce your best pansy crop ever with Delta Pro. Uniformity in flowering, habit and vigor simplifies production. Upright facing flowers on full branching plants shine at retail.

Get all the facts about Delta™ Pro in our Digital Edition.

# DELTA™ CLASSIC

Expand your pansy offer for spring or fall with these high demand colors and mixes that complement the Delta Pro assortment. Although Delta Classic varieties have a slightly wider range for flower timing and plant vigor than Delta Pro, they still offer top quality performance in each color class. With early flowering, large, showy blooms and strong plant build these 'must have' colors and mixes will not disappoint in the greenhouse, at retail or in the garden.

(*Catharanthus roseus*)

### CORA® XDR F1 ROSE PUNCH

Cora XDR series has best in class phytophthora resistance proven by internal trials and confirmed in external trials. This means excellent, long-lasting performance in landscape beds. And its superb branching, uniformity and floriferousness make it easier to produce high quality plants in pots and premium packs. New Rose Punch will replace Punch with better disease resistance and improved produceability. Available in 11 colors and 1 mix.

**Form:** ASTD

**Garden Height:** 12-16"

**Garden Spread:** 12-16"

**Containers:** Premium Packs, 1 - 2 1/2 Quarts, 1 Gallon

Cora® XDR F1 Rose Punch

## Viola

(*Viola cornuta*)

### COLORMAX F1 BLUE JEANS

ColorMax violas are perfect for both spring and fall sales. Extra large flowered viola provides an abundance of color on plants with better heat and cold tolerance than pansies. New Blue Jeans' flower size matches that of the rest of series.

**Form:** PRIME

**Garden Height:** 4-5"

**Garden Spread:** 8-10"

**Containers:** 4" Pots, Quarts, Bowls

ColorMax F1 Blue Jeans

## DELTINI™ F1

With near-day-neutral flowering, Deltini is perfect for late fall and winter flowering in the south and west and for early spring flowering in the north. Deltini is efficient to produce with fast crop times and a 4 day bloom window across all 11 colors in the series even in short days. Yellow Jump Up is improved for better pot fill, less stretching and a more stable wing color.

**Form:** PRIME

**Garden Height:** 3-5"

**Garden Spread:** 4-6"

**Containers:** Packs, 1 Pint -1 Quart

Deltini™ F1 Lavender Pink Face

Deltini™ F1 Yellow Jump Up Improved

Deltini™ F1 Yellow Jump Up Improved

## DELTINI™, ENDURIO, AND PENNY

Now available as Primed seed

To simplify your production in this very large class, Syngenta Flowers will now offer all *Viola cornuta* series as primed seed. Joining Freefall and Freefall XL, *Viola* Deltini, Endurio and Penny series will be offered in primed form, replacing Prenova® 2.0 in the *Viola cornuta* class.

## SORBET® F1 XP ORANGE JUMP UP IMPROVED

Upgraded for its habit, this improved variety has slightly more vigor to match the rest of the series, with early XP timing. All Sorbet XP varieties require fewer PGRs while still holding their shape in production and at retail.

**Form:** ASTD, PRIME

**Garden Height:** 6-8"

**Garden Spread:** 6-8"

**Containers:** Packs, 4-6" Pots, Quarts-Gallons

Sorbet® F1 XP Orange Jump Up Improved

## Zinnia

(*Zinnia marylandica*)

## ZYDECO™

Zinnia Zydeco displays huge, fully double flowers on vigorously branched plants. Add to that excellent disease resistance and heat and drought tolerance and you have the perfect plant for any garden or landscape. Fire has been improved for flower size and quality.

**Form:** CTD

**Garden Height:** 14-20"

**Garden Spread:** 14-20"

**Containers:** Premium Packs, 1 - 3 Quart, 1 1/2 Gallon, Baskets

Zydeco™ Fire Improved

Zydeco™ Mix

# KITCHEN MINIS® COLLECTION

This collection of compact vegetables offers unique edible pot plants for a sunny window indoors or on a patio table outdoors. Best sold with a few ripe fruits, plants will continue to produce for 4-6 weeks.

## Cucumber

### QUICK SNACK

This pot-size vining cucumber produces 1 1/2 - 2 1/2" crisp cocktail cukes with smooth, dark green skins. Perfect for table-top and window sill gardens. Ready for sale in 45 days from direct sow. Trellis recommended to keep plants upright. For best results, pinch when plant reaches the top of the trellis.

**Form:** ASTD

**Garden Height:** 20-24"

**Garden Spread:** 15-20"

**Containers:** 6-8" Pots

Cucumber  
Quick Snack

## Pepper

### FRESH BITES YELLOW

Sweet, thick walled snack peppers taste great right off the plant, chopped in a salad or grilled. Fruits are 2 1/2" long and 1 1/4" wide, starting out green and maturing to yellow. Plants produced in 4- 8" pots will finish in 18- 20 weeks from sowing.

**Form:** ASTD

**Garden Height:** 12-14"

**Garden Spread:** 8-10"

**Containers:** 4-8" Pots

Pepper Fresh Bites Yellow

### TAMALE

A medium size, bushy plant supports 2" long thick walled, crisp, juicy peppers with a mildly spicy flavor. Tamale can be finished in 4- 6" pots in about 16-20 weeks.

**Form:** ASTD

**Garden Height:** 6-8"

**Garden Spread:** 8"

**Containers:** 4-6" Pots

Pepper Tamale

## Tomato

### SIAM

This compact, determinate tomato will thrive in 6-8" pots producing handfulls of sweet, 1/2 -1" bright red fruits over a period of 3-5 weeks. Sow to sale in 12-15 weeks. Provide plant support for best results.

**Form:** ASTD

**Garden Height:** 7-9"

**Garden Spread:** 10-12"

**Containers:** 6-8" Pots

Tomato Siam

# TERMS & CONDITIONS OF SALE

**DEFINITIONS** As used herein, the term "Company" means Griffin Greenhouse Supplies, Inc.; the term "Merchandise" means the goods described on the face hereof; and the term "Purchaser" means the purchaser identified on the face hereof.

**PRICING** The prices for the Merchandise are subject to change without notice in accordance with the prices in effect on the date of shipment.

**MINIMUM ORDER SIZE** Minimum order amount is \$5. Plant orders under \$75 will incur a \$15 small-order upcharge along with delivery charges.

**SHIPPING CHARGES – SEED** Standard shipping for seed listed in our program will be included in the seed price on orders totaling \$150 or more, and shipped within the continental U.S. Shipping charges will be added to the invoice on orders totaling less than \$150. All special shipping requests resulting in extra charges will be added to the invoice. Drop shipments directly from the vendor are subject to shipping charges.

**RETURNS AND CANCELLATIONS** No Merchandise may be returned without authorization from our office. A) Plant orders are custom grown when booked in advance. Please review acknowledgments and confirmations for accuracy to prevent shortages and overages. Griffins cannot accept reductions or cancellations of plant orders once material is sown or stuck by the producer, Product ownership has transferred to the customer at that time. To review vendor specific cancellation terms go to [www.griffins.com/plantcancellationpolicy](http://www.griffins.com/plantcancellationpolicy) B) Seed orders: The Company will accept return of seed orders for credit pursuant to the following conditions: (i) Seed packages must be returned in the same condition within 30 days of ship date. (ii) No opened or altered seed packages will be accepted for return. (iii) No special-order seed will be accepted for return. (iv) No direct-ship seed, New Guinea impatiens, Primed or PreNova 2.0 seed will be accepted for return without prior authorization. (v) Seed returns must be shipped in protected packaging via a trackable ship method (USPS-(low value only), UPS, Fed Ex). (vi) Purchaser must notify the Company's Customer Service department prior to return of all seed orders. (vii) Purchaser will be charged a 20% restocking fee.

**SHIPMENT, RISK OF LOSS AND TITLE** Shipments of the Merchandise hereunder are F.O.B. the Company's facility; the Purchaser assumes all risk and liability for loss, damage or destruction after delivery of the Merchandise to the carrier.

**CLAIMS** All plant deliveries must be inspected upon receipt. Any damage or quality issues must be reported with photos within 24 hours. The Company may request that you plant the usable material with notification of total losses at a later date. In the case of visible shipping damage upon receipt from FedEx/UPS, damage must be noted on your freight bill and signed by the carrier's agent (driver). You must contact the Company within 24 hours to report your claim, at which time we will advise if you need to file the claim directly with the carrier, or if we will handle the claim. Damage that is not visible until the boxes are opened must be reported within 24 hours of receipt. A customer's lack of notification allows the Company to reserve the right to deny credit. The Company will request replacements whenever possible, subject to availability. Any visible damage, whether detected upon delivery or after shipments are opened, must be documented with photographs.

**PAYMENT** We accept cash, check or the following major credit cards: American Express, Visa, Master Card and Discover. The Company also accepts checks via fax, when submitted with the Company's Check by Fax Authorization form. New customers paying via credit card for the first time on orders of \$1,000 or more, but have not applied for credit terms, must complete a Credit Card Authorization Form for each cardholder on the account. Credit card payments do not qualify for payment discounts, e.g., 1% 10 Net 30. The Company will apply a 2% convenience fee to the balance on invoice payments made with a credit card; the 2% convenience fee will be waived for orders paid in full with a credit card at time of booking. Plant and seed orders cannot be shipped COD due to the perishable nature of the product. Credit Card and COD prepayments in full include payment for the product, sales tax and estimated freight.

**FINANCE CHARGES** A 1½% per month service charge is added on all overdue accounts. This is an 18% annual charge.

**TAXES** Appropriate state tax will be charged based on the location of delivery. All items will be charged sales tax unless we have your tax exempt number on file. In compliance with the law, we must charge the tax on all items which the state designates as taxable, even though you have provided us with your sales tax number.

**PICTURE DISCLAIMER** The Company strives to provide the most accurate rendition of the varieties contained within. However, we rely on our suppliers to have plants correctly labeled for our photography and on images they provide to us. The Company cannot be held liable for incorrect entries, and all pictures and variety names should be verified with the vendor and breeder catalogs. Recommendations made by the Company are compiled from recognized horticultural sources. We are not responsible for damage or losses that occur through secondary parties.

**EXCUSABLE DELAYS** Any delivery dates agreed to by the Company are only approximate and are subject to reasonable variation. In any event the Company shall not be liable for delays or for failures in performance or default in delivery arising out of or resulting from causes beyond its control. In no event shall the Company be liable for any damages, incidental, consequential, special or otherwise, arising out of any failure to deliver any merchandise to the Purchaser, any delay in delivery thereof, or any rejection or revocation of acceptance thereof by the Purchaser.

**PROHIBITION ON REPRODUCTION OR RESALE OF SEEDS** The Merchandise is to be used solely in the production of crops. The Purchaser must under no circumstances make use of the Merchandise for further reproduction or any other form of multiplication. After grading, calibrating, pelleting or treating in any other way the Merchandise, the Company's warranty shall be void and of no further force and effect. The Purchaser must undertake to impose the prohibition laid down in this section on its own buyer on the understanding that they will also do the same for their subsequent customers. The Merchandise is not intended for retail sale; resale is strictly prohibited.

**WARRANTIES** Crop yield and quality are dependent upon many factors beyond the control of the Company and NO WARRANTY is made for crop yield and quality. The Company warrants only that all seeds, bulbs, plants or merchandise sold have been labeled as required under applicable state and federal seed law and the seeds, bulbs, or plants conform to the label description which recognized tolerances. THE ABOVE WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, WRITTEN OR UNDERWRITTEN, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THERE ARE NO WARRANTIES, WHICH EXTEND BEYOND THE DESCRIPTION ON THE LABEL. No claim shall be asserted against the Company unless the Purchaser reports to the Company within a reasonable period after discovery (not to exceed 30 days any condition that might lead to a complaint.) THE PURCHASER'S EXCLUSIVE REMEDY FOR ANY CLAIM OR LOSS RESULTING FROM BREACH OF WARRANTY, BREACH OF CONTRACT, OR NEGLIGENCE (INCLUDING BUT NOT LIMITED TO INCIDENTAL OR CONSEQUENTIAL DAMAGES) SHALL BE LIMITED TO REPAYMENT OF THE PURCHASE PRICE.
