**NOTES:**

- Product availability:** MTS products are generally available in inventory. Transportation can take up to 7 working days. Please add 1 working day for order preparation.  
 MTO and SPO products require up to 10 working days for production. Transportation can take up to 7 working days. Please add 1 working day for order preparation.
- Minimum Order Quantity:** T/L : Full truck loads are generally 22 pallets ± 2 pallets.  
 (MOQ) 1 Pal : 1 pallet minimum.
- Bags:** 'D' indicates a dedicated bag.  
 'G' indicates a generic bag.
- Drop charge:** Prepaid to destination based on full T/L orders. As a general rule, a full T/L is 24 pallets if the weight factor permits it. In the case where the weight factor does not allow for 24 pallets, 23 and then 22 pallets are considered a full T/L.
- Freight surcharge:** Freight surcharge may be applicable.
- Prices:** Prices are subject to change without notification.
